Dear Frank,

As National President of the Ninth and Tenth Cavalry Association **Buffalo Soldiers**, I would like to commend your work *For Love of Liberty: The Story of America's Black Patriots*. I received your documentary prior to traveling to our 142nd Annual Reunion in Las Vegas, NV and began viewing it while in Vegas. We had Mr. Glenn Turman scheduled as our keynote speaker, and to my surprise he began showing segments of the documentary to our association. We all were captivated by literary works, speeches, photos, heroic stories and time lines you included in this fine work of art. It appears that you possess the relativity we troopers have when it comes to telling our story! Frank it's a joy to have folks such as yourself that's willing to document historical feats of Blacks as Patriots, Heroes, and GOD fearing Americans who has shed blood in defense of this great country.

I look forward viewing the final draft of your work, and offer my assistance with any future endeavors you may have. Keep up the great work and live the creed of the Buffalo Soldiers. "*We Can; We Will*" and "*Ready and Forward*"

Sincerely

Trooper Derrick G Davis

National President 9th & 10th (Horse) Cavalry Assoc.
